CAMPTON

NEW HAMPSHIRE

YEAR ENDING

December 31, 1969

University of New Hampshire
Library

Picture of the late Shirley Tracy in front of Campton Town Hall, which appeared in a 1968 issue of "SKYLINE", published by North American Rockwell Corp. for its employees. It was captioned "Among employees serving as mayors and city officials is Shirley Tracy, above, a dry kiln operator of Draper Division's bobbin plant, Beebe River, N. H. He stands in front of 160-year-old Campton town hall

In a 1968 issue of "SKYLINE", published by North American Rockwell Corp., titled "Suburbia Statesmen", the following was written about the late Selectman Shirley Tracy: "For Shirley Tracy, a dry kiln operator and foreman at the Draper Division's Bobbin Plant in Beebe River, N. H., governing a small town can make enemies of friends overnight. For the past 21 years he has been a selectman, one of the three municipal leaders who chart the destinies of Camp-ton, population 1,200, which last year celebrated its bi-centennial. 'If a man's hog gets into a neighbor's yard and roots his flowers, I get called,' Tracy says in his unmistakable New England twang. 'And there are always complaints at tax assessment time. Sometimes I say to the wife, 'what the dickens am I doing this for?' But I believe it's a good healthy sign if people take an interest in the town and how it's run. We need more of this interest.'"

A TRIBUTE IN MEMORY OF SHIRLEY E. TRACY

November 6, 1906—May 11, 1969

It has been a pleasure and privilege for some of us to work with Shirley on the Board of Selectmen ever since he became a member in March of 1951. From the beginning, and all through the years, his main concern has been for that which was best for the Town and its residents.

Over the years he listened to everyone's problems and complaints and rendered decisions based on his good judgment, regardless of the consequences. His was a well considered opinion, based on the facts and one everyone could rely upon as being the same today, tomorrow or next year. Too often we accept men like Shirley—complain about what they do or don't do, and show so very little appreciation for the work they do. In spite of all this, he felt he was rendering a service to his Town and that, "deep down" the great majority of his fellow townsmen appreciated his work even though they did not put their thoughts into words.

He was a charter member of the Campton Volunteer Fire Department and served as its President for 20 years and was a member of the Board of Supervisors for seven years. He was active in the Village Precinct and served for many years as Moderator and as Treasurer.

As friends and co-workers we can all truthfully say he worked fairly and faithfully for those principles for which he stood and for the benefit and improvement of the Town. He lived by and practiced the Golden Rule and his long and faithful work for the Town and Draper Corporation showed his devotion to detail and accuracy which characterized his entire life.

It has been often said that no person is indispensable, but when God takes a man like Shirley, all we can say is, "Well done thy good and faithful servant."

May we all be the better for having known and worked with a man like Shirley.

In appreciation from all the Town Officers

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Campton in the county of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town House in said Campton on Tuesday, the tenth day of March, next at two of the clock in the afternoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and to make appropriations of the same.
3. To see how much money the Town will vote to raise and appropriate for the maintenance of its highways and bridges.
4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.
5. To see if the Town will vote to raise and appropriate the sum of \$100 for Memorial Day.
6. To see if the Town will vote to raise and appropriate the sum of \$50 for the White Mountain Region Association.
7. To see if the Town will vote to raise and appropriate the sum of \$125 for the control of White Pine Blister Rust.
8. To see if the Town will vote to raise and appropriate the sum of \$1,200 for the maintenance of Blair and other Cemeteries in Town.
9. To see if the Town will vote to raise and appropriate the sum of \$1,640 to reimburse the Campton Village Precinct for hydrant rental.
10. To see if the Town will vote to raise and appropriate the sum of \$2,000 for the support of the Campton Volunteer Fire Department.
11. To see if the Town will vote to raise and appropriate the sum of \$200 to help with other towns in promoting "Ski 93".
12. To see if the Town will vote to discontinue the Town road, connecting Rte. 175 with Depot Road in front of the former residence of Burton Pierce.

13. To see if the Town will vote to raise and appropriate the sum of \$440 for the Pemi-Baker Home Health Agency, Inc.

14. To see what sum of money the town will raise in order to improve and maintain in passable condition for passenger cars at all seasons, the road known as "the upper road", "out east", or "straight out" located in the eastern corner of Campton off Route 175 near Wishman's Corner; or take any other action relative thereto. (By petition)

15. To see if the Town will vote to discontinue the road from Depot Road to the Guy Vintinner property.

16. To see if the Town will vote to approve the ambulance agreement with the Town of Plymouth.

17. To see if the Town will vote to raise \$2,500 to set aside to purchase equipment for future use of the Town.

18. To see if the Town will vote to accept the reports of agents and officers.

19. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 5th day of February, in the year of our Lord nineteen hundred and seventy.

B. W. PULSIFER

ROGER McBRIDE

MAX G. HALEY

Selectmen of Campton

A true copy of Warrant—Attest:

B. W. PULSIFER

ROGER McBRIDE

MAX G. HALEY

Selectmen of Campton

Polls will open at 2 P. M. to vote for town officers. Other articles to be taken up at 8 P. M.

SELECTMEN'S REPORT TO THE RESIDENTS OF CAMPTON

At the March meeting of 1969 the Town voted to authorize the Selectmen, "to enter a joint arrangement with the Town of Thornton or any other group of Towns, if deemed in the best interest for the Town, to buy, lease, rent or build dump disposal facilities". We met with the Selectmen of Thornton on numerous occasions and finally obtained from the Campton Sand and Gravel Company, a lease for land in Thornton and proceeded to establish the Dump that both Towns have been using since July 1, 1969. You will note that we paid \$1,093.30 for 1/2 the construction, lease and legal fees. Operating costs will be prorated between the two Towns.

Campton was offered \$700.00 for its old dump site. This amount was given the Town by the Court and is deposited in an escrow account in the Plymouth Guaranty Savings Bank, inasmuch as we brought suit against the State, feeling that this amount was insufficient to relocate and maintain a dump to comply with the various State laws and regulations.

You will note a payment of \$2,227.49 to Riverberry, Inc. for 1/3 of the repairs to the Campton Pond Road. The Selectmen felt that this was a good long term investment for the Town, inasmuch as Riverberry, Inc. and Locke-Waterville, Inc. paid the other 2/3 because both will be using Pond Road for access to their land developments and were interested in having the Town road improved and were willing to share the cost.

The Selectmen signed an agreement with Plymouth, subject to voter approval at our March 1970 annual meeting, (see warrant) to furnish emergency ambulance service to Campton as follows: "The Town of Campton agrees to accept financial responsibility for all runs made by the Plymouth Town Ambulance Service within the limits of Campton, except as otherwise provided herein, at the rate of Twenty Dollars (\$20.00) per call plus Eight Dollars (\$8.00) per hour or fraction thereof, after the first hour. The Town of Campton shall not be responsible for ambulance service provided to Plymouth residents or motor vehicle accidents on any State Highways.

Any non-emergency call will be referred to a private ambulance service.

Any supplies used will be charged on a prorated basis.

This agreement shall continue in effect until terminated by mutual agreement or by vote of the Town Meeting of either Town."

Under this arrangement bills will be sent to your Selectmen, who will forward them to the individual who can pay the Town of Plymouth directly.

BUDGET OF THE TOWN OF CAMPTON, N. H.

CAMPTON PLANNING BOARD

The Campton Planning Board has held twenty-four meetings since its formal inception on January 14, 1969, the meetings being held regularly on the second and fourth Tuesdays of each month. A number of meetings have been of a public nature, serving as hearings on specific subdivisions within the Town of Campton. Advance notice of such final hearings is published in THE PLYMOUTH RECORD and posted in three public places for the benefit of interested parties.

In anticipation of the rapid growth that Campton is now experiencing, and the inherent problems that such rapid expansion brings, it would appear that the authorization of this Board, by the voters of Campton, came none too soon. Considering the plight of some New Hampshire communities, and recognizing the limitations of the present sub-division regulations, the Board has become increasingly aware of the need to minimize the possibilities of unsound, and unpleasant, exploitation of Campton's natural and scenic resources by incorporating a series of zoning ordinances. To this end, a separate committee has been created to design a set of ordinances for the voters' approval. A preliminary copy of the zoning ordinances will be made available to the citizens of Campton at the annual Town Meeting in March. Hearings will be scheduled for early spring, as well as a special meeting for their final adoption. The time is late and it is the belief of the Board that most voters will wish to protect themselves, and the Town, by the incorporation of zoning ordinances at the earliest possible date.

Planning Board Members:

William Stohn, Chairman; Giles Low, II, Secretary - Treasurer; Clifford Eastman; Max Haley; Roger McBride; Clifford Savage; Robert Whitehouse.

Zoning Committee:

Milton Pettengill, Chairman; James Marston, Secretary; Donald Blake; Charles Daunt; Laurence Stearns; John Thompson.

REPORT OF THE FOREST FIRE WARDEN

AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a. m. and after 5:00 p. m.

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Escaped Fires

If a fire escapes your control, whether or not you have a permit, you are liable for the costs for control and extinguishment. If you start a fire illegally there is the additional chance of a fine. The landowner may also recover his loss or damages from the fire.

It is unlawful to drop or throw burning material in wooded areas.

Anyone seeing an uncontrolled and unattended forest fire is bound by statute to report it.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

Our thanks to everyone who helped keep our forest fires to a minimum in this area.

SCHOOL DISTRICT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Campton qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 19th day of March 1970, at 4:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent in the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to accept the provisions of RSA 197:1-a and elect district officers at the annual town meeting effective in 1971.
10. To see if the District will vote to raise and appropriate the sum of \$1,400.00 for a music teacher. (By Petition)

11. To see if the district will vote to raise and appropriate the sum of \$2,000.00 for a remedial reading teacher for the Campton School three days a week. (By Petition)

12. To see if the District will vote to raise and appropriate the sum of \$360.00 for the transportation of children to the Waterville Ski area for six weeks of instruction donated free of charge by the Waterville Company. (By Petition)

13. To see if the District will vote to raise and appropriate the sum of \$700.00 for a physical education teacher to instruct each class one day a week. (By Petition)

14. To see if the District will vote to raise and appropriate a sum not to exceed \$7,500.00 for the transportation of high school students to Plymouth High School. (By Petition)

15. To transact any other business that may legally come before this meeting.

Given under our hands at said Campton this 12th day of February, 1970.

REPORT OF THE SCHOOL NURSE

January 1969—January 1970

The Nurse visited the school 45 times during the school year.

Inspections were made for signs of illness, cleanliness of skin, scalp, etc.

A check was made to see if each child had been vaccinated.

First Aid supplies were bought and the school supplied; kept for the First Aid at school.

First Aid was given when the Nurse was in the school, when needed.

The children's teeth were checked and a Dental Hygienist talked to each classroom on Dental Care, also films shown on Dental Health.

Weight and height was done and a Health Record kept on each child.

A screening test was done on each child for hearing and vision. Notices were sent home on ones that failed the test advising to see the family doctor.

The first grade children were given a Tine Test for Tuberculosis, all tests were negative.

First grade children were given German measles vaccine by Dr. Kirk.

The State Welfare gave all first grade children a special hearing test for first grade children.

A pre-school registration was held in June twice.

Home visits were made when necessary for conferences with parents and information for clinics, guidance, orthopedic and sight conservation.

The Nurse attended meetings with Psychologists, Welfare Workers, Nurses' Workshops. Also attended a series of meetings in Laconia from 4-7, in Children under Stress in the Classroom.

The State Nurse was contacted for immunizations in the school, but has not arranged it at present time.

Respectfully submitted,

HELEN H. FISHER, R. N.

REPORT OF THE PRINCIPAL

School officially opened Wednesday, September, 1969. There was, at the time, a total student enrollment of 162. At the present the student body numbers 171 and the individual class breakdown is as follows:

Grade	Boys	Girls
1	7	9
2	11	10
3	11	8
4	15	16
5	13	10
6	10	15
7	14	5
8	7	10

Our teaching staff and their assignments have remained basically the same as last year. Mrs. Marjorie Broad, Grade 1; Mrs. Phyllis Morse, Grade 2, Mrs. Constance Rhines, Grade 3 and Mr. Wes Noyes, Grade 4. In the upper grades Mr. Paul Montague has Grade 5 homeroom as well as English; Mr. Robert Basney replaces Richard Ratten with homeroom for Grades 6 and 7 and he also teaches math and science. Mr. Everett Barnes, whose homeroom is grade 8, teaches math, social studies and is the school principal.

We all regretted seeing Mr. Percy Still leave us as our janitor after so many fine years of service. Replacing him was Mr. Bernard L. Moulton.

As principal, I would like to thank the many townspeople and the entire community in general for the support they have given the school, students and staff in our various activities both this year and last.

We hope we can continue to successfully serve the town of Campton.

Respectfully submitted,
EVERETT BARNES, JR.
Principal

REPORT OF THE SUPERINTENDENT OF SCHOOLS

The Campton Elementary School appears to be running efficiently and well. We have a group of dedicated teachers who work well together and try to provide for individual differences in children. The decision of Plymouth State College to place student teachers in the school can be of benefit to both parties.

The school is beginning to feel the effects of the growth caused in part by the Waterville Valley developments. We are at the point where we must consider what can be done in the way of expansion: The school population at 172 is nearing the capacity for which the building was designed and in all probability will exceed it next year. I am not sure of the best direction to take in recommending a solution. To add on to the building at today's costs and provide the facilities recommended by minimum standards will be expensive. Conversely, if the two upper grades were tuitioned out space ought to be provided for a kindergarten. It would seem we are at the point where a committee should look into the problem and after conferring with the local and state school personnel make a recommendation to the district. Unquestionably, we will make changes in the light of the standards and any planning should take this into consideration. One of the problems we will face is the addition of special teachers in the areas of music, art and physical education which could only be afforded on a shared-time basis with other districts.

The curriculum offerings for a school of our size are quite good. This year we changed the mathematics series to include modern math. Although the transition posed a minor problem, things seem to be straightened out now. It will take a year or two for students and teachers to adapt to the new system but I am sure that there has been some immediate positive results. Some discussion has centered about the reading system which is going to be studied and analyzed to see if changing to a new series is justified.

The Area High School to which you belong is progressing well. The roof has finally been completed which now allows the workmen to be inside. From now on little time will be lost because of weather. Many of the interior partitions are already up and unless something unforeseen happens, the building will be ready for occupancy as scheduled next September. Having followed the construction and been a part of the planning from the beginning, I am sure you will have a school with a curriculum you can be proud of.

With the help of some of the Principals, the Supervisory Union has submitted a proposal for a Title III E.S.E.A. grant next year.

This would provide special classes for the children we have in school who need more attention than the teacher can give them. It is too early yet to know whether or not we will be successful in securing one, but if we do, it will meet a definite need. The local news media will keep you posted on progress and results.

The school participated in the state-wide testing program for grades 2, 4, 6 and 8 in the fall. The Stanford Achievement Battery was given to all pupils in these grades. The Otis-Lennon Mental Ability Test was also administered. We have not yet received the results from the state as a whole but should do so shortly. This will provide a comparison of our class averages with those of other schools. The results of the tests last year indicated we were somewhat above this average.

The support of the schools and teachers by the district is appreciated. We have tried to provide a good education for your youngsters within the framework of the appropriation for schools. Do not hesitate to contact the teachers or myself if we can help you with problems of an educational nature.

Respectfully submitted,

M. WAYNE BOWIE

Superintendent

EXPLANATION OF SUPERINTENDENT'S SALARY

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district, and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrators, if any is in service in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuations. One - half pro-rated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$11,500, which was received by the superintendent of schools of Supervisory Union No. 48 during 1968 and 1969 was made up as follows: \$4,000.00 paid by the State of New Hampshire and \$7,500.00 pro-rated among the several school districts. Allowance of \$1,400.00 for travel within the union was also pro-rated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Percentage	Salary	Travel
Campton	\$ 18.15	\$ 1,361.25	\$ 254.10
Plymouth	48.56	3,642.00	679.84
Rumney	12.98	973.50	181.72
Thornton	7.66	574.50	107.24
Warren	6.28	471.00	87.92
Waterville Valley	1.18	88.50	16.52
Wentworth	5.19	389.25	72.66
	<hr/> 100.00%	<hr/> \$ 7,500.00	<hr/> \$ 1,400.00
